Mrs. E. M. Wilson and Ted Russell also extended greetings from Hamlin to the booster trippers and assured the visitors that the event would be well attended from this community.

Russell called attention of the boosters that Hamlin had furnished headline performers to their collegiate gridiron aggregations and would continue to do so for many years to come.

The public address system was set up in front of the Bryant-Link store and Williams and his stringed orchestra performed for the entertainment of the crowd. A square dance call was particularly entertaining to the listeners.

The group recessed at noon for a quick trip to the site of the Hamlin Rotary Club meeting and these figures mean little, the well lunched with that body.
